

SERVICE AWARDS

Jun-13			
Department	FirstName	LastName	Year
1103	Travis	Cook	5
1701	Tony	King	15

BENEFITS

Dependents age 19 or older who are graduating and no longer full-time students are not eligible for the Brunswick dental, vision and dependent life insurance plans. Dependents can remain on the Brunswick **medical plan** up to age 26, regardless of their student status. You will need to complete a form to drop your dependents from dental, vision and dependent life insurance plans within 30-days of the graduation date.

FABULOUS FOURTH

Grab the kids, your shades and some sunscreen and come to Flagler Beach for one of the most popular Independence Day celebrations around. Hosted by the Flagler Beach Chamber, the one-day celebration kicks off at 9 a.m. with fun activities scheduled throughout the day. There will be a parade, watermelon and hot dog eating contests, Cornhole Tournament, Battle of the Bands, street festival and a very special event for preschool age "Lil' Kahunas" and "Tiny Tikis." At the end of the day, find a spot to watch a fabulous fireworks display over the Atlantic Ocean, the perfect finale to a perfect Independence Day celebration.

Here's the event schedule for **Thursday, July 4th:**

10AM Independence Day Parade
11AM Cornhole tournament
12PM Watermelon eating contest
1PM Tiny Tiki & Lil' Kahuna Event
1:45PM Hot Dog Eating contest
2PM Battle of the Bands

2PM-3PM Savannah -- A new rock group led by 15-year-old Savannah
3PM-4PM Tarnished Halo -- Acoustic Rock
4PM-5PM BENT -- Rock/Alternative
5PM-6PM The Dealers -- Hard Rock
6PM-7PM The Transfers -- Rock/Alternative
7PM-8PM LivingSong -- Rock/Christian
9PM Fireworks

Flagler Beach will be hosting 1st Friday on Friday, July 5th.

There will be fireworks at the Palm Coast Town Center on **Friday, July 5th**. No schedule available yet.

POP TABS

Collected by Sonny

We are collecting pop tabs in the break rooms. Ronald McDonald Houses collect pop tabs instead of entire aluminum cans because it's more hygienic to store tabs than cans, and collection and storage is easier. The program is an easy way for people of all ages to support RMHC and know they are making a difference for families and children. The tabs can earn a child a free day of dialysis.

After the tabs are collected, the local RMHC Chapter brings the collection to local recycling centers, where they are weighed to determine their value (values can vary significantly). The recycling center then sends the local RMHC Chapter a check for the total value. -- Information from Ronald McDonalds Website

Please take the time to snap off your tab and place it in the "Pop Tabs" container. Thank you.

WALK THIS WAY

By Tricia Giordano

We just completed our 10th week and the end of the challenge is approaching quickly~ only 2 weeks remain to accumulate more steps! We're on track to reach 1 billion steps as an organization! In the next two weeks we need 147,997,571 to reach that amount. So far, our two week average has been 209,602,422, so it's possible. Let's see if we can beat our average and surpass 1 billion steps!

Steps can be logged on the *Be Your Best* website at www.liveforlife.net/hfit/brunswick or by calling 1-800-531-1470, option 1.

Remember to complete your Online Health Risk Assessment & Biometric Screening.

2013 Gateway Activities:
Online Health Risk Assessment (HRA)
and
Biometric Screening
or
Alternative Means Screen (AMS) Form

SOFTBALL TOURNAMENT 2013

by Mark Jones

We had five teams enter the double elimination tournament, to see if anyone could dethrone the current champs from previous tournaments held. All teams showed up ready to play, and plenty of fun was had throughout the day. Many family members and friends are to be commended for sitting through the heat and cheering for their favorite team. There were many new faces playing in the tournament, and they did a great job playing. Hopefully when the next one rolls around we will have even more employees and family members competing for the top prize.

“Cannons” came out with a bang winning all their games and waiting for an opponent in the championship. “Motor Boat” made a strong showing and finished in 3rd place. “We Got Runs” made it another repeat with the 1st place trophy. “Gator Done” played two games and was eliminated. “Lamo Nation” showed up after a few tournaments not playing and had a good showing, but unfortunately lost two games and was eliminated as well.

Thanks to everyone who helped the EAC with this event at the ballpark, and we can't wait until the next tournament.

WEDDING BELLS

Congratulations to Cory Soard from Assembly on his marriage on Saturday, June 15, 2013 to Jadriana Cox. Mike Soard from our Warranty Travel Crew is the proud father of Cory and Joel Cox our Production Manager is the proud father of Jadriana. Wishing them the best of luck in their future.

AHOY MATES!

Our very own Al Lane from QA attended the costume ball in St Augustine. The ball is held annually by Ancient City Privateers and raises funds for youth scholarships for The St. Augustine Lighthouse Summer Camp. Ft. Menendez also held a ribbon cutting for their new ship exhibit.

THE BEST SMART PHONES

by Sisouphanh Sihachak

To find a person without a smart phone is almost impossible in our modern society. I personally have everything set up on my smart phone. For example, I can pay bills, check bank accounts, keep track of my investments, watch movies, listen to high quality music, take HD pictures, and least important of all, make phone calls. Everyone likes to believe that the smart phone brand they own is the best. However, the reviews are in and here are the results.

- 1) Apple Iphone 5
- 2) Samsung Galaxy S III
- 3) Motorola Droid Razr HD
- 4) LG Optimus G
- 5) Google Nexus 4
- 6) HTC One X
- 7) Samsung Galaxy Note II
- 8) Sony Xperia TL
- 9) Motorola Atrix HD
- 10) Motorola Atrix HD
- 11) T-Mobile MyTouch 4G

It is no surprise that the Iphone 5 is at the top of the list followed by the Samsung Galaxy S III and the Droid Razr HD. If your phone is not on the list, I highly recommend getting a top rated phone the next time you are shopping for one. To read all reviews on each phone, visit <http://cell-phones.toptenreviews.com>. Article information from google.

GREEN TEAM NEWS

By Destini Wilson

Tips to Go Green at Home:

- Water your lawn less frequently and more deeply and at night in most areas, to avoid evaporation – better yet, eliminate most or all of your lawn and replace with native species or low maintenance ground covers.
 - Filter your water rather than using bottled. Not only is it cheaper, but you reduce the amount of toxic plastic bottles in circulation.
 - Eat less meat, which causes the most environmental harm than any other type of food production.
 - Choose your fish carefully. Farm raised salmon often contaminates wild salmon stock with disease and parasites and farm raised shrimp are sometimes raised in very polluted water. Also, some seafood species are dwindling due to overfishing and other environmental factors.
- Eat lower on the food chain. The higher up you go, the greater the environmental impact. That means more grains and produce. Besides, it's better for you anyway.
- Buy certified organic or locally grown food. Less chemicals, less impact from transportation and delivery, respectively.
 - Whenever practical, walk or ride your bike. For trips less than 2 miles, it actually takes less time to bike it.
 - Combine car trips. Instead of several smaller trips, make one larger trip and run all your errands at once. Or join forces with a neighbor or two!
 - Try car-pooling to work one day a week. If it works for you, add more.

HOW TO LOOK UP RED LINE PRINTS

by Danny King

If the line item is highlighted in pink that means there has been some revisions to that print, in order to view the red-lined drawing you must click on the word "Redline" to see it, clicking on the print number will only show you the original drawing.

VOLUNTEERS AND FOSTERS NEEDED

Second Chance Animal Rescue is very much in need of volunteers.

Please note: Volunteers of all ages are welcome and we'll find the appropriate way for you to help. Children can always help by participating in food and supply drives, voting online and getting their friends involved. If you want to help with the care of the animals or events you must be at least 16 years of age.

You must love animals and be dependable! Thanks for wanting to help! We also appreciate **Community Service Volunteers** and can provide "double hours" in some cases!

Second Chance is also in desperate need of foster parents and homes for the animals. You must first go to their web site to fill out a foster application.

Second Chance Animal Rescue 110 Bimini Lane Bunnell, FL 386-527-3763

THEME PARK DISCOUNTS

Our discount tickets are through Ticketsatwork.com discount code is: Brunswickcorp toll free phone # 1-800-331-6483

Mike Soard and Tracey Stilwell had the privilege to set up and deliver the 450DB to Dusty and Becky McCoy.
